Friday, September 21, 2018

Call for Presentations

The County Engineers Association of Maryland's Fall 2018 conference will be held at the Princess Royale Oceanfront Resort Hotel in Ocean City, Maryland from September 20-21, 2018.

The conference technical program is currently under development and is expected to cover the range of public works operations and services including roadways, bridges, stormwater management, ethics, water & wastewater utilities and more. The purpose of this announcement is to invite those interested in making a presentation to submit a brief proposal for consideration.

Proposals are due no later than July 27, 2018. Selections will be made and presenters notified no later than August 3, 2018.

Guidelines:

- Please complete and return the attached Presentation Proposal form via e-mail to Conference Chair Danielle Conrow at danielle.conrow@calvertcountymd.gov
- Proposals are due by July 27, 2018.
- Individuals may submit more than one proposal.
- Presentations should be 45-50 minutes in duration with 10-15 minutes planned for questions and follow- on discussion for a total of no more than 60 minutes.
- Presentations can be done by one speaker or a combination of speakers and can be organized in a panel format if so desired.
- Presentations are expected to be of high quality, technically correct, and worthy of having Professional Development Hours (PDHs) awarded to those attendees needing them for Professional Engineering licensure requirements. They are NOT an opportunity to do a sales pitch for a company's product or service.
- Presenters are encouraged to attend the entire conference and would be expected to register if they are doing so. Elected officials and other invited guests are not required to do so.
