

CEAM 2021 Virtual Spring Conference

Please join us for the 2021 CEAM Virtual Spring Conference! Our Conference & Education Committees have been working hard over the last several weeks to develop and implement a Virtual Spring Conference to provide the CEAM membership with an opportunity to continue learning and earning professional development hours (PDH). The conference/technical programming portions of the Spring Conference will be held over a series of four months. This style will mimic the popular virtual Fall Conference that was held from September-December 2020.

The Spring Golf Tournament will be held on Monday, May 10, 2021 at the Greystone Golf Course in Baltimore County. Coffee & donuts will be provided in the morning as well as a boxed lunch after the round. Sponsorships for the event are available, too! Please see golfer and sponsorship registration links on our main Conference/Golf Registration page (available via START HERE link below).

Platform

- The Virtual Conference sessions will be conducted via Zoom. All pertinent details for session login information/call-in details will be provided to paid registrants in advance of each event. It is critical to make sure that all registrants provide a working/functional e-mail address during registration to CEAM so that session details can be distributed effectively.

Costs/Fees

- You do NOT have to be a member of CEAM to attend this event. However, CEAM members will receive a discount over non-members. *If you are unsure of your membership status and/or if you wish to apply for membership in the organization, please contact the CEAM Administrator, Dan DeWitt, P.E., at webmaster@countyengineers-md.org.*
- **Conference Registration Fees**
 - **Members = \$50.00**
 - **Non-Members = \$75.00**

Note: The registration fees cover attendance at any or all of the conference programming sessions. No discounts/refunds are available for attending fewer than all of the programmed events.

- NO PAPER REGISTRATIONS &/OR CHECKS ACCEPTED. All payments must be made electronically.
- Sponsorships are available for the conference and your company logo will be featured in the background imagery for our session moderators. Fees are \$100.

REFER TO ATTACHED AGENDA (SEE NEXT PAGE!) FOR SESSION DETAILS!

DON'T WAIT!

1st Session Registration Deadline = April 13, 2021

Golf Tournament Registration Deadline TBA

READY TO BEGIN? [START HERE!](#)
