# ASSOCIATE MEMBER OF THE YEAR

# ASSOCIATE MEMBER OF THE YEAR

**Stuart B. Taub, PE**

Over 60 Years of Public Service

## ASSOCIATE MEMBER OF THE YEAR AWARD

### Mr. Stuart Taub, P.E.

Stu is the Partner-in-Charge of Wallace Montgomery's Structural Department and Water Resources Department. Stu graduated from the University of Maryland with a Bachelor of Science degree in Civil Engineering in 1979 and earned a Masters degree from Johns Hopkins University in 1995.

Stu has been an active associate member of County Engineers since 1990. Stu served on the CEAM board for two years and on the legislative committee for 5 years. In 2007, he chaired Fall Conference program committee.

Throughout his career Stu has worked on well over 200 bridge projects with nearly every county in Maryland. What is especially impressive is the number of bridges Stu has been involved with that have received awards by this organization, including:

- 2010 Award of Merit - Replacement of Chaneyville Road Bridge over Graham Creek, Calvert County
- 2010 County Project of the Year - Rehabilitation of Gilpin Falls Covered Bridge - Cecil Co.
- 2012 County Project of the Year - Devil's Backbone Dam Rehabilitation
- 2012 Award of Merit - Cherry Hill Road Bridge over CSX, Baltimore County
- 2014 Award of Merit - Replacement of the Corona-Bayard Road Bridge, Garrett County

Stu and his lovely wife Beth reside in Baltimore County.
