MERITORIOUS SERVICE AWARD

Mr. Michael Moulds, P.E.

Mike holds a bachelor of science from Penn State University, and has completed additional studies toward a Master of Engineering degree.

Following his graduation from Penn State in 1980, he took a job at Gannett Fleming as a municipal consulting engineer in their Harrisburg office. He also worked for Hanover Engineering Associates as their Chief Engineer and ultimately Vice President.

In 2006, he made a career change into government public works by relocating from Elizabethtown, Pennsylvania to Vienna, Maryland to take a County Engineer position with Dorchester County.

In 2013, Mike became the Director of Public Works for the City of Salisbury responsible for 160 employees in the City engineering, water, wastewater, streets, sanitation, parks, marina, utilities, and zoo divisions.

Mike comes from a family of engineers including his grandfather, father and brother.

Mike and his wife Michele have been married for 37 years and have two children and three grandchildren.

In his spare time, Mike enjoys being a grandfather, boating, aviation history and keeping his two rescue dogs out of trouble.
