 - Greg Wissman, RS&H
 - Justin Acasio, GFT

Housekeeping

- Registration – Crawford Room
- Meals and Sessions - McHenry Room
- Sign In Sheets
- Exhibitor Hall - Resort Lodge 1st Floor
- Assoc. Member Reception – The Yurts
- Restrooms

CEAM Mission Statement

“...County Engineers seek to set an example to their professional community and they work to instill confidence with the public. They strive for permanence and stability, not only in the roads, bridges, and facilities they design and build, but in the professional tradition they have established across the state, today embodied by the women and men who are the legacy of the organization. With an eye to the future, CEAM fosters the free flow of technical information, promotes educational programs and training, and supports an extensive scholarship program that will help supply the next generation of engineers.”

My Focus on the Mission

- Free Flow of Technical Information
- Promote Educational Programs & Training
- Support Scholarship Program
- Eye to the Future

Our Focus on the Mission

- Are we maintaining the course in FY26?

Free Flow of Technical Knowledge

- 2 In-Person Conferences
 - Check out the upcoming sessions!
- Technical Presentations
- State Funding and Legislation updates
- Collaboration with MACo
- Virtual Training Sessions

 - Rinker Materials

Roger H. Willard Scholarship

- 4 + 1 to UMD
- 1 to Morgan State

Roger H. Willard Scholarship

David Oloye

- UMD Senior
- Environmental Engineering
- ASCE Chapter President
- Engineers Without Borders

Roger H. Willard Scholarship

Anna Dhima

- UMD Civil Engineering
- Sophomore
- Focusing on Structural
- Intern at McLaren Engineering, a KCI company

Roger H. Willard Scholarship

Anna Dhima

"I am a second-generation Greek-American Civil Engineering student at the University of Maryland, pursuing a concentration in Structural Engineering. I would like to begin by expressing my sincere gratitude to the County Engineers Association of Maryland for their generous support of this distinguished scholarship, and for the meaningful impact it has had on my life, as well as on the many recipients before and after me.

Receiving this scholarship, I am given the opportunity to strive towards my goal of receiving my degree in Civil Engineering, with the ultimate end goal of becoming a licensed structural engineer. To me, this scholarship not only provides financial relief but also reinforces my commitment to a lifelong career in one of the most rewarding fields in the industry. For that, I am eternally grateful."

Eye to the Future

- Continuing to build the Scholarship Program
- Updating the Policy and Procedure Manual
- Cleaned up the membership records
- Implementing an Association Management Software Solution
- Modernizing CEAM's Administration
- Creating a New Online Presence

Eye to the Future

Committee Meetings

- Monthly or quarterly meetings – depends on committee
- Virtual or in person
- Typically less than an hour – we stay focused

The screenshot displays a Zoom meeting interface. At the top, there is a toolbar with icons for video control, pop-out, chat, people, raise hand, react, view, more, camera, mic, share, and leave. Below the toolbar is a gallery view of participants, including John..., Dalton Baker, Myers, Jord..., Bryan D..., Pich, Te..., Joseph, Dav..., Toni Ka..., Wisman, C..., and Justin A... The main content area shows a shared PDF document titled '2024 CEAM Exhibitor layout.pdf'. The document is a detailed floor plan of the McHenry Lodge facility, divided into 'UPPER LEVEL MCHENRY LODGE' and 'LOWER LEVEL MCHENRY LODGE'. Key areas include a Pool, Elevator, Lodge Entrance, Hearth & Hops Deck, STAIRS, MCHENRY LODGE, Last Chair, MEN'S REST ROOMS, WOMEN'S REST ROOMS, MCHENRY LODGE DECK, DECK ENTRANCE, RESIGNMENT SHOP, LOWER LEVEL MCHENRY LODGE, RENTAL SHOP, LOWER LOBBY, GUEST SERVICES DESK, OUTDOOR ELEMENTS RETAIL SHOP, TICKET SERVICES OFFICE, TICKET WINDOWS, and ENTRANCE. Orange arrows point to specific entrances and exits. A sidebar on the left lists 'All tools' such as Export a PDF, Create a PDF, Add comments, Request a signature, Fill a Sign, Convert to PDF, Add a stamp, Use a certificate, and Measure objects. The bottom of the screen shows the Windows taskbar with the time 11:33 AM and date 4/22/2025.

Closing

Thank you

Engage, learn, connect

Advance CEAM's mission
